

Hello CA Members -

The Winter Season is upon us. We are so grateful for all of you, our incredible members who have joined us in our commitment to provide a community that works together to prepare a place for children to move freely, exercise and have incredible interactions to enhance their lives.

CA has been and will continue to be committed to the highest level of vigilance with our students and staff when it comes to COVID-19 mitigation. CA will continue with its current list of increased vigilance of protocols for participation & risk prevention during the current health crisis through January 31st, 2021. We ask that all members of our community stay vigilant, wear a mask, stay socially distant, wash hands regularly & avoid social gatherings and non essential travel.

Increased mask usage of all members ages 5 years & up. Please consider the following in relation to mask usage:

- Be sure to follow all CDC, VDH & Fairfax/Loudoun County mask guidelines.
- Student's 5 years and older should have a clean, comfortable and well fitted 3 layer mask.
- We ask you to review this with your child and help us make sure masks are worn from the time they pull up in the Drop Off Line, during entry, class time and until they exit from the gym in the Pick Up Line.
- Please notify CA if your child has any respiratory conditions which may prevent them from wearing a mask. We support the most safe and healthy situation for each child.

Holiday Vigilance Guidelines & Recommendations. Those members who travel or attend gatherings of 10 or more people and other COVID-19 risk gatherings will be required to quarantine as follows:

We wish all our CA families a very Safe & Happy Winter Holiday Break. We will get through this together and let's not let this virus vigilance fatigue win. Please remain aware, take care to do what it takes to keep your loved ones and others safe. Let's keep these awesome kids ACTIVE, HAPPY, STRONG, TOGETHER.

We thank you for entrusting us with the care of your child. Please do not hesitate to contact us for additional information.
